You may want to claim yourself as a supporter if you love this game. Just place the one of the two Pkmn HOF supporters banners into the signature of your forum account. Supporters are very important for the success of our game project, and I appreciate it very much!

If you are willing to become a team member and gain full access to all the resources we have, the process is quite simple. Just submit the staff application form which can be found in the forum section. The project admin or team leaders will review your application and inform you if you're accepted. Please feel free asking questions to any staff members, we're here to help you out.
